MESSAGE FROM THE CHAIR

Dear NEBSA Members, Legal Professionals, and Supporters,

It is my great pleasure to officially invite you to the 57th Annual Northeast Black Law Students Association (NEBSA) Regional Convention, taking place in Boston, Massachusetts, from February 5-9, 2024! This year, we gather under the inspiring theme of "The Golden Standard: Shaping the Future of Legal Excellence," as we celebrate our collective strides, reflect on our shared challenges, and set the path for the future of Black excellence in law.

As NEBSA Chair, I am proud to welcome you to this pivotal event, where we will connect law students, legal professionals, and community allies from across the Northeast. Our convention will be an opportunity to engage with leaders who embody the very essence of our theme, individuals who are shaping the legal profession with a commitment to excellence, innovation, and justice.

The convention will feature an array of workshops, panel discussions, and career-building opportunities, all designed to empower you to meet the highest standards of legal excellence. Notably, we will also honor the 57th Most Influential Black Attorneys in the Northeast at our Awards Gala on Friday, February 7, 2024. This will be a time to recognize trailblazers who have not only set the standard but have redefined it through their contributions to the legal field and their unwavering commitment to uplifting our communities.

In addition to professional development, the convention will provide chances to give back through community service events, networking with peers and leaders, and building lasting relationships that will carry you through law school, your career, and beyond.

As we come together in solidarity, let us also look ahead to shaping a future where the pursuit of legal excellence is rooted in justice, equity, and opportunity for all. Whether you are just starting your legal journey or are well-established in your career, this convention is your chance to connect, grow, and help set the golden standard for the next generation.

I encourage you to register today and join us for this remarkable experience. Together, we can build on the legacy of those who came before us and continue shaping the future of legal excellence.
